Julie and Gary,

It appears Michelle had sent the following email to Greg Reller this AM.  
Hopefully her email below helps.

Thanks,

Mike Johnson, PE

Greg,  
Looks like the Waterboard has asphalt delivery in & out the CA road tomorrow.  
There is no delivery time so be very careful.  
We are doing road maintenance on the CA road so you may encounter them also.  
Thanks for the heads up and we'll see you tomorrow.  
~Michelle

Michelle:

Burleson and EPA plan to visit the site tomorrow (September 20) We anticipate arriving at the California Gate by 9:30, and at Pond 4 by 11:00

Are there any road issues we need to be aware of?

Thank you!

Greg
